

## INDEX MS 32 B

**Kind : Cnc multispindle lathe**  
**Manufacturer : INDEX**  
**Model : MS 32 B**  
**Year : 1999**  
**Serial : 150052**  
**Stock : 10210**

### TECHNICAL DETAILS

- Number of spindles : 6
- Max. bar diameter : 32 [mm]
- Spindle speed : 6300 [rpm]
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 1.2 : X and Z axes controlled by CNC
- slide unity 2.1 : X and Z axes controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : X and Z axes controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : X and Z axes controlled by CNC
- slide unity 5.1 : X and Z axes controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- synchronous unit, spindle position 6.1 : X and Z axes controlled by CNC

### EQUIPMENT

- CN SIEMENS 840D
- Counter spindle
- Polygonal milling device : 5.1 carriage unit
- Bar loader : IEMCA SIR MS32/38 F
- coolant tank KNOLL
- \* with high-pressure pump
- chip conveyor KNOLL

**Kind : Cnc multispindle lathe**

**Manufacturer : INDEX**

**Model : MS 32 B**

**Year : 1999**

**Serial : 150052**

**Stock : 10210**

- Cooling unit
- Parts catcher
- Ejection of workpiece
- Fire extinguisher
