

INDEX MS32C

Kind : Cnc multispindle lathe
Manufacturer : INDEX
Model : MS32C
Year : 2002
Serial : 150202
Stock : 10335

TECHNICAL DETAILS

- number of spindles : 6 independent
- bar clearance : 32 [mm]
- maxi spindle speed : 6 300 [rpm]
- machine equipped with 28 numerical axes
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : X and Z axes controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : X and Z axes controlled by CNC
- slide unity 5.1 : X and Z axes controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- synchronous unit, spindle position 6.1 : X and Z axes controlled by CNC

EQUIPMENT

- INDEX C200-4 control (Siemens SINUMERIK 840D)
- Simple NCU
- IEMCA SIR MS32/33/P bar feeder
- Coolant tank : KNOLL AE 1076
- * with high-pressure pump
- KNOLL VRF 500 chips conveyor
- Parts catcher with conveyor in position 6
